To Mr Timmerman

Your Honour,

Your courageous and timely decision in response to apprehension of Mr. Amir Farshad Ebrahimi at the airport in Turkey and preventing him from extradition to Islamic Republic Regime of Iran is very much admired. Regardless of his previous attachments and with respect to his present beliefs his extradition to the Islamic Republic Regime of Iran would have had another disastrous consequence for all the opposition groups.

I feel obliged to appreciate your continues support, sense of responsibility, and humanitarian spirit. Without a doubt your action in this regard deserves the highest level of gratitude.

With Respect and Appreciation,
Bahram
